Miteinander Stärken

We lasercut some "white rings" for the event "Miteinander Stärken" from 3mm Plywood.

The design was done in Inkscape.

pin_inkscape.jpg

In order to get it to the Lasercutter I saved the file as dxf_r12.

pins_01.jpg

I used Power=80% and Speed=10mm/s
A higher speed might have been OK as well.
